... For Analysis...Where you need it most...When you need it most™

Up to a
33%
Increase in Accuracy*

NEW

Zeltex
Inc.

The Portable Whole Grain Analyzer Designed to Improve Your Profits!

Protein, Moisture and Oil Analysis at your fingertips!

The ZX-50 IQ is lightweight and completely portable, allowing analysis in the field, on the truck, or at the silo. Using Zetlex's patented, proven technology, the ZX-50 IQ comes pre-calibrated for Protein & Moisture in wheat, and can also be pre calibrated for Protein, Moisture, and Oil in most grain and oil seeds.

- Accurate Results in less than a Minute
- Battery or A/C operated
- No Sample Preparation
- Reliable, Solid State Design
- Proven Technology
- New Intelligent Firmware

Combining the proven solid state design of the Zx-50 Portable Whole Grain Analyzer with the latest improved prediction software, the ZX-50 IQ offers up to a 33% * increase in accuracy, giving our customers true lab accurate analysis, where they need it most, when they need it most!

*compared analysis with and without the ZX-50 IQ intelligence firmware
